## WELCOME to the Abbey of Gethsemani in Kentucky.

The Abbey of Gethsemani was founded in 1848, when a small group of French Trappist monks made their way to the Kentucky wilderness. Our way of life is in accordance with The Rule of Saint Benedict, which has been followed by monks for fifteen centuries.

We support ourselves by the work of our hands, creating our delicious fruitcake and fudge. Generations of our customers have made our simple offerings an essential part of their holiday and gift-giving. We thank you for your support. May you have a blessed and happy season of celebrations.
